Weatherproof Resquared & Rebutted Waterbased Kiln-dried (KD) Environmentally Friendly

## EcoBleach (FSC® certified)

**EcoBleach Weathering**

**EcoBleach Aging**

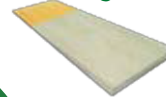

### Characteristics

- Water Based.
- Kiln-dried.
- Resquared and Rebutted (R&R).
- Excellent U/V protection.
- EcoBleach color is similar to the original driftwood gray-aged cedar.
- 80 times less VOC than maximum allowed LEED certification.

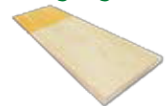

Adding new ecological solutions to its line of Eastern White Cedar shingles, Atlantic keeps setting high standards in the industry. With the introduction of our new water-based "EcoBleach" stain, we continue to lead the way with environmentally friendly products.

## Oil Based Products (FSC® certified)

**Weathering Stain**

**Aging Oil**

All bleaching treatment is made in order for the wood to be weatherized as well as to stabilize the natural grayish color. Our VOC Factor is only at 250 vs our competition which is 350 or above.

### Characteristics

- Oil Based.
- Kiln-dried.
- Resquared and Rebutted (R&R).
- Excellent U/V protection.
- Accelerates weathering process
- Nice driftwood gray color
- Features linseed oil for waterproofing
- Long term durability with little maintenance

Patented Maxi-Clips. Siding without visible nails. ©  
Available with some siding

Characteristics of the Maxi-clip:

- Plastic brackets resistant to any climate
- Prevents wood distortion
- More effective than the nail to retain the siding to the forence of the house, because of its coverage
- Fits on all types of wood siding (even the half-round)
- Easy to install
- No need for touch-ups since there are no nails
- Price similar to factory painted nails

\* siding is available as plain or rough

# Eastern White / Red Cedar accessories :

## White Cedar Shingles (FSC® certified)

Grades A, B, and C are available in either Regular or R&R (Resquared and Rebutted)

### A (Extra)

Top quality, knot-free from top to bottom

### B (Clear)

Some imperfections in the non visible part of the shingle (top section)

### C (2nd Clear)

Inexpensive Option, as some imperfections are present on the full surface of the shingle and gives a classic rustic look
